

ASSOCIATION NEWS

DEAR RESIDENTS,

We would like to wish a **Happy Pesach** and a **Happy Easter** to all our residents and owners near and far. It's a time for family to gather, be safe and enjoy.

We have some events this holiday week with a **Passover Seder** on the Saturday March 27th. On Sunday April 4th, we are having an **Easter Sunday Egg Hunt** (for the children!) in the Clubroom (from 12pm - 1pm) followed by the movie

Peter Rabbit in the theater room.

Fuel will be serving **Easter Brunch** at the same time from 11am - 3pm.

We are still painting the building and working our way through lines 5 and soon lines 3. Winds have stalled the project, but we are getting there.

Window cleaners started on March 29th. About time you'll say! Sorry, we needed the painters to get a head start!

At our last Board Meeting on March 11th, 2021, the Board approved the new beach landscaping, the drawings have just been approved by DERM will soon be submitted to the City. We are hopeful to get this done before the turtle season May 1st.

The Board also approved to replace the damaged granite at the Rotunda.

And more good news, the cushion covers are currently being replaced at the pool deck. Please bear with us, there is a lot going on.

Sincerely,
Stephen Walshe

MAINTENANCE CORNER

Keep your system clean – Facts about wipes flushed in toilets.

It does not break apart: Although most of us would assume that wet wipes disintegrate once we flush it down the toilet, the reality is that is almost never does. Unlike toilet paper that usually breaks apart in about 24 hours or so, wet wipes will remain virtually imperishable even when flushed down the bowl.

FATBURG AFFECT:

What is a fatberg? This is a condition wherein the wet wipes combine with the fat, grease, and other dirt trapped in the pipes creating an iceberg-like formation. These formations create huge clogs in plumbing pipes and drains.

Staff are currently repairing and replacing the light fixtures in the breezeway. This is a big project as we have to remove pavers and sand to access the wiring. *We apologize for the inconvenience.*

AMENITIES CORNER

Grab a bag of popcorn and join us for a **Harry Potter Movie Marathon** in our Porsche Design Tower Cinema on the Spa level. Showings are at 5pm and 9pm. (calendar located at lobby and spa desk)
